
Ignorant-man, do not mix OLD-TEXT with our LORDS DOCTRINE.
JESUS says "do not put new wine in old skin
the skin will break,
put new wine in new skin,
so the old wine can be preserved."

The OLD-TEXT is for reference.
You can tell by reading the OLD-TEXT;
How they found
the OLD-TEXT,
in pieces, a book here a book there.
In KNOW order, just pieced together
for man's wants and needs>>>>>>>

The OLD-TEXT is missing books that are mentioned in the NEW-TEXT.
Like JUDE says, "the TEXT was usurped".
That's why there is bullshit like #Christian-Zionism

#prepare-for-water.
